

WANTED! * NEEDED!

Are you looking for a little something to do this summer?

Do you have a background in Special Ed?

Or, is teaching the Language Arts your specialty?

Do you have a spare 2-3 hours a week for 5-6 weeks during July and the first part of August?

If so...

School may be closed for the summer, but I know a little 7 year old girl who would really like your help. She will be visiting her grandparents for 6 weeks this summer. She has difficulty with Language and she does not want to lose the progress she has made during the past year.

If you are interested in, or know of someone, -either retired or still teaching, who would be interested and wish to meet with her grandparents to discuss details regarding the learning needs and arrangements, please contact me.
